

International Symposium on Adsorption 2019 (Japan Adsorption 2019)

*Pre-symposium of the 13th International Conference
on Fundamentals of Adsorption (FOA13),
organized by The Japan Society on Adsorption*

- Venue: International Conference Hall, Makuhari Messe, Chiba, Japan
- Symposium dates: May 21-23, 2019

First Announcement

International Symposium on Adsorption 2019 (Japan Adsorption 2019) will be held as a pre-symposium of the 13th International Conference on Fundamentals of Adsorption (#13FOA), which is held in Cairns in Australia from May 26, 2019 to May 31, 2019.

The symposium aims at promoting fundamental and applied studies related to adsorption. The major topics of the symposium will be:

Fundamentals of Adsorption, Instrumentation for Adsorption Measurement, Synthesis and Characterization of Novel Adsorbent Materials, Chemisorption & Catalysis, Applications of Adsorption, and Miscellaneous

Symposium Chair: **Prof. Hirofumi Kanoh**, Chiba University
